Position your business within a newly completed healthcare precinct on busy Nicholson Road, Canning Vale.

With a Medical Centre, Orthodontist and Pilates Studio already committed, this is a rare opportunity to secure one of the final remaining tenancies within a purpose-built allied health destination servicing one of Perth's fastest-growing residential catchments.

Three adjoining tenancies remain available, providing flexibility for operators seeking 100sqm, 200sqm or 300sqm.

The spaces can be leased individually or combined to accommodate your specific requirements.

Ideal for Physiotherapy, Chiropractic, Podiatry, Occupational Therapy, Speech Pathology, Psychology, Specialist Consulting Rooms, Allied Health Operators, Health & Wellness Services and various others medical related uses.

Canning Vale continues to experience strong population growth and is recognized as one of Perth's most established family suburbs. The area boasts above-average household incomes, significant owner-occupier housing and a growing demand for healthcare and wellness services.

Secure One of the Final Remaining Tenancies. Opportunities to join a newly established healthcare precinct with complementary operators are becoming increasingly scarce.
