174 Railway Parade, Bassendean presents a rare opportunity to acquire a substantial and fully upgraded industrial asset in one of Perth's most accessible and well-connected locations. Situated directly opposite Ashfield Train Station and just minutes from major arterial routes, the property offers a compelling mix of secure income, high-quality improvements, and value-add potential.

With two extensively renovated buildings on over a 1-hectare landholding, the property is partially leased to quality tenants including DT Infrastructure, a subsidiary of international public listed infrastructure giant Gamuda Berhad (KLSE: GAMUDA) and Compa, a boutique Italian style lunchbar.

The balance of the property is recently refurbished and vacant, offering flexible office and workshop space ideal for owner-occupiers or investors seeking future rental upside. A rental guarantee over the vacant space offers a strong yield proposition from settlement for the astute investor.
