A superbly presented, fully fitted and furnished professional office at the front of a secure complex, with prominent street frontage.

Offered with vacant possession and available fully furnished, this is a genuine turn key opportunity. With the seller happy to leave the existing furniture in place, an incoming operator can move in and trade from day one. The versatile layout takes in a welcoming reception, open plan workstations, multiple private offices, a boardroom, a separate meeting room / dedicated studio suited to media, podcast or content production. A well appointed kitchen / tea room.

It will equally appeal to investors weighing a quality, well located commercial asset following recent changes to residential property tax settings and self managed super fund rules. Prospective purchasers should obtain their own independent financial and taxation advice.

Positioned with street exposure to Parkes Street, the office enjoys strong visibility within the busy Cockburn Central precinct, moments from the train station, Cockburn Gateway Shopping City and good Kwinana Freeway access.
